Note:

- 1) **"Effective Date"** means the date on which all actions for implementation of the plan are consummated which shall, in any case, not be later than 30 calendar days from the date of receipt of the order of the NCLT approving this Resolution Plan;
- 2) **"Deferred Payment Period"** shall mean a maximum period of 1 year commencing from the Effective Date;
- 3) Cash and bank balance as on March 31, 2019, Surplus Cash and Creditors EBITDA shall be paid to the secured financial creditors in addition to the amount proposed herein as upfront cash recovery by the creditors, as provided in the Process Memorandum.
- 4) The Resolution Applicant also by letter dated June 3, 2019 has confirmed that it shall not have any right or claim with respect to the amount of INR 184.06 Crore which was reversed by State Bank of India pursuant to the order of NCLT in terms of this Resolution Plan.
- 5) Any surplus cash being the positive difference between the aggregate of cash balances held in all bank accounts of the Company on the NCLT Approval Date and March 31, 2019 ("**Surplus Cash**") will be added to upfront cash recovery of secured financial creditors specified in the Resolution Plan as a closing adjustment, provided the said adjustment is a positive adjustment and the net current assets (excluding cash and bank balance) on Effective Date remain at the same level as that of March 31, 2019. The Surplus Cash will be distributed in the same proportion as proposed

above or as decided by the Adjudicating Authority. If a delay arises in distribution of the amount by the CoC, the amount shall be kept in an interest-bearing trust account in favour the Financial Creditor/s as approved by the Adjudicating Authority.

- 6) The EBITDA (adjusted for non-cash costs) generated between the NCLT Approval Date and the Effective Date ("**OPL EBITDA**"), will be an additional consideration to secured financial creditors over and above upfront cash recovery, provided the net current assets (excluding cash and bank balance) on Effective Date remain at the same level as that of March 31, 2019. Any minor changes in the level of net current assets will be acceptable due to the going concern nature of business. The said OPL EBITDA will be distributed in the same proportion as proposed above.
