

Forward-looking statements

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral – that we periodically make contain forward looking statements that set out anticipated results based on the management’s plans and assumptions. We have tried wherever possible to identify such statements by using words such as ‘anticipate’, ‘estimate’, ‘expects’, ‘projects’, ‘intends’, ‘plans’, ‘believes’, and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties, and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Management Discussion & Analysis

INDUSTRY PERCEPTION

Indian Pharmaceutical Industry - Overview

- ▶ The Indian Pharmaceutical Industry (IPM) stands at USD 12 billion as of 2013 (estimated), compared to USD 10.9 billion in 2012 (USD 1=INR 60). The IPM has experienced a slowdown this year with its growth going down to 9.8% from 16.6% in 2012. From 2010 to 2012, the IPM had a CAGR of approximately 15%.
- ▶ The IPM growth rate has declined after November 2012 from an average of 16% to 8%. This slowdown can be attributed to the following:
 - ▶ The National Pharmaceutical Pricing Policy (NPPP) being announced towards the end of 2012,
 - ▶ Higher growths for the corresponding quarters and months in the previous year,

- ▶ The NPPP implementation and the subsequent price corrections leading to a low uptake among the stockiest in Q2 of 2013.
- ▶ The top 10 therapy areas of the IPM contribute to approximately 90% of the IPM sales.
- ▶ Chronic therapies (cardio, gastro, CNS and anti-diabetic) have been outperforming the market for the past four years and have grown at a rate of 14%, faster than acute therapies (anti-infectives, respiratory, pain and gynecology) which grew at 9.6%. The contribution of chronic therapies to the IPM has gone up from 27% in 2010 to 30% in 2013. Growth in the acute segment will be driven by Tier III cities and rural penetration.

Global Pharmaceutical Industry

The global pharmaceutical industry stands at USD 956 billion as of 2011 and is expected to grow to USD 1.2 trillion by 2016 at a CAGR of 4.7%. Growth will be driven by low-cost factors, increasing prevalence of disease and rise in per capita income. This growth is coming mainly from market expansion in the leading emerging countries and from generics.

Global brand spending is forecasted to increase from USD 596 billion in 2011 to USD 615–645 billion in 2016. The US share of global spending will decline from 41% in 2006 to 31% in 2016, while the European share of spending will decline from 26% to 18%. Meanwhile, the leading emerging countries will account for 30% of global spending in 2016 from 14% in 2006.

Global Generics Market: Branded products accounted for nearly two-thirds of global pharmaceutical spending in 2011. However, as patents expire in developed markets, that share is expected to decline. Spending on generic drugs is

driving most of the growth in the leading emerging markets, which will contribute to the increase in the share of generic spending. Global generic spending is expected to increase from ~USD 242 billion in 2011 to USD 400–430 billion by 2016, of which USD 224–244 billion (70%) of the increase is from low-cost generics in emerging markets.

US Generics Market: The US is the world's largest generics market, estimated at USD 73 billion as of 2011 and is expected to grow to USD 107 billion by 2016 at a CAGR of 7.9%. Drugs worth USD 90 billion are going off patent between 2011 and 2015. The US government's healthcare bill provides affordable healthcare to 33 million previously un-insured Americans, which means increased use of generic drugs due to cost and viability factor, accelerating generic growth in the coming years. Moreover, as of 2011, 75% American prescriptions are for generic drugs, which is a positive sign for the generics market.

EU Generics Market: The European generics market is valued at USD 40-45 billion as of 2011 and is expected to

Global Pharmaceutical (Branded and Generic) Sales (2011 and 2016).

grow to USD 60-65 billion by 2016 at a CAGR of 7 to 8%. It is expected that, in the near future, there will not be any significant increase in the share of innovative medicines as governments in Central Europe (Poland, Romania, Bulgaria, Hungary, Slovakia and Czech Republic) have been promoting generic consumption, resulting in limited expenditure on branded medicines. Moreover, with an ageing population and member states' healthcare budget under pressure, generic medicines are now a key element of sustainable healthcare.

Japanese Generics Market: As of 2011, this market is valued at USD ~8 billion and is expected to reach ~USD 13 billion by 2016 at a CAGR of 10%. The government in Japan has taken several initiatives to ensure growth and promotion of generics industry in the country aimed at reducing healthcare expenditure. Japan's generic market constitutes 22.8% of its pharmaceutical market (volume-wise) (in 2011) but the implementation of numerous supportive measures in 2012 – including additional premiums for practices that

prescribe generics – will see this figure rise to approximately 60% by 2017. Moreover, strong promotional activities, numerous impending drug patent expiries and Japan's ageing population are expected to drive growth. Further, the bilateral free-trade agreement signed in February 2011 (the FTA will abolish 90% of trade duties for 10 years) will provide a stimulus for exports to Japan.

The Emerging markets (China, Brazil, Russia, India, Mexico, Turkey, Poland, Venezuela, Argentina, Indonesia, South Africa, Thailand, Romania, Egypt, Ukraine, Pakistan and Vietnam) in descending order of market size, have a total market size of about USD 57 billion (2011) and are expected to outgrow USA (at ~USD 115 billion) by 2016 at a CAGR of 15.1%. The RoW market constitutes USD 40-45 billion (as of 2011) of the generics drug market.

Global CRAMS Market: The global pharmaceutical outsourcing market was estimated at USD 65-70 billion as of 2011 and is expected to reach USD 90 billion by 2015, growing at 6.5% annually over the four-year period.

FINANCIAL REVIEW

The Company had extended its financial year (FY 2012-13) by 6 months to September 30, 2013. Hence Financial Year 2012-13 is of 18 months from April 1, 2012 to September 30, 2013.

In 2012-13, Orchid delivered a moderate performance in revenues, with a Loss of Rs 530.23 cores as against a Profit of Rs 103.11 cores in the previous year 2011-12, trying to recover from the adverse events of 2011-12 such as closure of Alathur plant for more than one month, fire accident at R&D centre at Shozhanganallur etc.

A) Profit and loss account

Revenue

Revenue increased from Rs 1792.14 crores in the year 2011-12 to Rs 1946.35 crores in 2012-13. This performance was largely due to continuing supply of APIs to Hospira, contractual business with other large global pharmaceutical players in regulated markets namely, Europe and Japan and contribution from Karalex Pharma, a front end marketing organisation in the US.

Profitability

The EBIDTA stood at Rs 169.62 cores for the financial year 2012-13 as against Rs 411.73 cores for the financial year 2011-12. After providing tax expense, PAT (Loss) stood at Rs 530.23 cores for 2012-2013 as compared to PAT (Profit) of Rs 103.11 cores for the previous financial year. This decline in profit was due to lesser capacity utilisation on account of Working Capital constraints caused by API plant closure at Alathur and higher interest costs.

Expenditure

Total operational costs were Rs 581.41 cores in 2012-13 as against Rs 439.91 cores for 2011-12 owing to an extended financial year.

Power and fuel expenses retained at the same levels on an annualised basis at Rs 121.72 cores in 2012-2013 as compared to Rs 85.72 cores in 2011-2012.

Material costs marginally increased from Rs 785.86 cores in 2011-2012 to Rs 958.27 cores in 2012-13 despite a decrease in production volumes and raw materials consumption

owing to closure of Alathur plant for more than one month during the year. The cost was primarily due to inflationary pressures.

Employee costs marginally increased to Rs 237.05 cores in 2012-13 as compared to Rs 154.65 cores in 2011-12 on an annualised basis.

Interest and finance charges increased from Rs 179.05 cores in 2011-2012 to Rs 520.38 cores in 2012-2013, due to a rise in borrowings coupled with a steep rise in interest rates and finance charges.

Depreciation and amortisation expenses stood at Rs 243.87 cores in 2012-2013 as compared to Rs 149.06 cores in 2011-2012 resulting in a marginal increase on an annualised basis.

B) Balance sheet

The capital employed in the business decreased about 35 % from Rs 2399.38 cores as on March 31, 2012 to Rs 1553.07 cores as on September 30, 2013. This decrease was mainly due to the net loss of Rs 530.23 cores for Financial year 2012-13 and unamortised loss of Rs 128 cores on account of restatement of foreign currency loans for financial year 2012-13 grouped under Reserves as per Accounting Standards.

Reserves

Balance in the reserve and surplus account stood at Rs 417.71 cores as on September 30, 2013 as against Rs 1075.87 cores as on March 31, 2012.

INFORMATION TECHNOLOGY

Information Technology plays a business-critical role in a knowledge intensive sector like pharmaceuticals in enhancing its competitive edge.

At Orchid, IT integrates operations and processes across plants, corporate office and regional offices, providing real-time data for informed decision-making and increasing people productivity.

A number of Information Technology policies & process have been automated leading to lower manual intervention, thereby enhancing service levels to users. Orchid continues to incorporate Information Technology developments in its business processes to derive higher levels of productivity and operational excellence.

HUMAN RESOURCES/INDUSTRIAL RELATIONS

Orchid's HR function is aligned with the overall growth vision of the Company and continuously works on areas such as recruitment and selection policies, disciplinary procedures, reward/recognition policies, learning and development policies and all round employee development.

Orchid provides a safe and rewarding environment that attracts and retains a talented team and where employees are engaged in delivering exceptional results to the customers and investors. Orchid is strengthening the motivation and engagement of employees by examining, developing and introducing a consistent employment value proposition to the existing and prospective employees. The key objective is to align the selection, talent management, employee engagement and recognition processes to drive the corporate growth objectives.

Several new initiatives were introduced during 2012-13 leading to better inter-personal relationship between employees and helped bring in a cohesive focus on individual career development.

During the financial year, Orchid maintained a cordial industrial relationship environment at all the manufacturing units of the Company.

As at September 30, 2013, Orchid has approximately 2,800 permanent employees, which included corporate and managerial staff, sales staff and staff located at our manufacturing facilities, including our subsidiaries creating momentum and driving the Company's competitive advantage. They have been striving to meet the expectations of the customers and creating wealth for investors.

RISKS AND CONCERNS

All businesses are subject to internal as well as external risks. The internal risks are controllable risks and Orchid has identified such risks and formulated such actions to mitigate the effect of such risks. The external risks like change in government policies etc are not within the control of the Company. Particularly the global as well as the Indian Pharmaceutical industry continues to be regulated by various regulatory agencies. Stringent regulatory norms, delay in obtaining regulatory approvals for key products, patent litigations, currency fluctuations, pricing guidelines in the domestic market are certain risks that can affect the Company's business.

Orchid's integrated risk management approach comprises

prudential norms, structured reporting and controls. This approach conforms to the Company's strategic direction and is consistent with stakeholders' desired total returns, credit rating and risk appetite.

Review of compliance monitoring systems, account risk management system in the business units, periodic assessment of regulatory compliance, risk assessments in multiple areas such as talent management, information security and intellectual property are done regularly. The risk management activities also include assessment and review of financial risks such as currency risks, credit risks and liquidity.

INTERNAL AUDIT AND CONTROL

Orchid believes that sound internal control systems are necessary prerequisite to good governance. The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides assurance on the efficiency of the Company's operations and the security of its assets.

Orchid's internal control systems and procedures are designed to enable the reliable reporting of financial

statements, reporting timely feedback on the achievement of operational or strategic goals and ensure compliance with laws and regulations. In addition to the statutory audit, the financial and operating controls at various locations of the Company are reviewed by internal auditors who report significant findings to the Audit Committee of the Board. Compliance with various laws and regulations are also monitored.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimate, expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to

the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

The net loss after tax stood at Rs 530.23 crores (the net profit after tax was Rs 103.11 in the previous fiscal).

Business Overview

During the year your Company recorded a slow growth, recovering from the issues faced in previous financial year - closure of Alathur plant for a period of more than a month on account of an order from Tamil Nadu Pollution Control Board (TNPCB), and liquidity constraints on account of redemption of outstanding FCCBs in February 2012. Despite the tough liquidity and working capital constraints, your Company managed to sustain sales and operating profitability denoting the basic strength of the business. Orchid initiated a process of restructuring its debt and accordingly made a reference to the Corporate Debt Restructuring (CDR) cell. Once CDR process is completed there would be an ease in flow of working capital through rescheduled loan repayment, funding of interest by banks and reduction in rate of interest which would help the Company in improving its performance.

Your Company is planning to launch some new products in the next financial year for the EU and US markets, which are expected to aid in strengthening the revenue/profitability streams of the Company going forward.

Corporate Debt Restructure (CDR)

The Company was admitted for Corporate Debt Restructuring process in August 2013 by the CDR Empowered Group (CDR

EG) with requisite support from Banks.

Your Company had entered into a Business Transfer Agreement (BTA) in August 2012 with Hospira Healthcare India Private Limited, a subsidiary of Hospira Inc., USA, for the sale and transfer of the Company's Penicillin and Penem API Business together with its manufacturing facilities in Aurangabad and associated Research and Development Unit situated in Shozhanganallur. Your Company obtained the requisite approvals for this transaction as follows

- Shareholders approval in October 2012, Competition Commission of India (CCI) clearance in December 2012 and the Foreign Investment Promotion Board (FIPB) clearance in January 2013. Subsequently, the initial consideration of USD 202.50 million was enhanced to USD 217.50 million for transfer of additional portion of land and building at R&D Centre Shozhanganallur.

As the Company is admitted for CDR process, the consummation of BTA has been added as a part of the CDR process. The final CDR package is under preparation and expected to be completed in December 2013.

Regulatory Filings and Approvals

In the generic formulations domain, Orchid's cumulative Abbreviated New Drug Application (ANDA) filings for the US market stood at 43. This includes 8 Para IV FTF (First-To-File) filings. The break-up of the total ANDA filings is 13 in Cephalosporins segment and 30 in NPNC space. Few more ANDAs which are in the later stages of development are expected to be filed in the ensuing quarters.

In the European Union (EU) region, the cumulative count of Marketing Authorisation (MA) filings stood at 30. The break-up of the total MA filings is 15 in the Cephalosporin segment and 15 in the NPNC segment.

In the API (Active Pharmaceutical Ingredients) domain, Orchid increased its cumulative filings of its US DMF count to 90. The break-up of the total filings is 28 in the Cephalosporin Segment, 47 in NPNC segment, 2 in the Betalactam segment and 13 in the Carbapenems segment. In the European market

space the cumulative filings of COS (Certificate of Suitability) count remained at 21 which includes 14 in cephalosporin segment, 6 in NPNC segment and 1 in the betalactam segment. With staunch efforts on product development, the count of filing and approval is set to increase in the current financial year.

Dividend

Due to losses incurred by the Company during the financial year 2012-13, your Directors express their inability to recommend any dividend to the equity shareholders.

Awards

During the year, your Company was conferred with the following awards:

- ▶ Top Indian Public Limited Company in Patent at the 5th National Intellectual Property Award 2013, organised by CII in partnership with the Department of Industrial Policy & Promotion and Indian Intellectual Property Office, Government of India.

- ▶ That the Directors took proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- ▶ That the Directors prepared the annual accounts for 2012-13 on a going concern basis.

Corporate Social Responsibility (CSR)

It is the strong belief of Orchid that Corporate Social

Responsibility means a holistic development of the community that caters the basic needs on education, health, women and child development, Youth development, capacity building and infrastructure. These are the major areas where significant contribution was achieved with public participation this year.

Mission

To accelerate sustainable development of rural areas by empowering socially and economically deprived sections.

Our Approach :

As a Corporate Orchid believes in playing the role of a catalyst in bringing the resources and knowledge for development with people's participation.

Education

Poor Socio-Economic conditions, lack of motivation, lack of infrastructure and poor coaching are some of the challenges which affect rural children's education and the continuity. Orchid Trust has understood these issues and has planned its education promotion initiatives for their educational improvement.

Facilitating better training

Appointment of 24 supplementary teachers in schools through the PTA (Parent Teacher Association) in schools were made during the year, where there are no sufficient teachers. As a result the school final year result has improved. The average SSLC results and Higher secondary results percentage have increased considerably due to this assistance.

Running of four community tuition centers, teaching aids to seven Government schools and sponsorship of higher education to 48 poor deserving students were made aimed

at making education available to all and providing an atmosphere of pleasant learning to students. Educational institutes and Grass root associations were involved in research to find out school drop outs and to bring them back to schools.

Summer Camp to Rural children

Summer camp to school going students was organised this year, more than 196 children participated in the camp. Yoga, music, sports, physical exercise, drawing and painting, clay modelling, dance, Karate, drama are some of the programs that were given as entertainment on a participatory approach.

Other Educational Programs

Career guidance programs, best student and Teachers award, talent improvement programmes, school annual day sponsorships, sponsorship of prizes for school awareness programmes are some of the activities that helped the students in improving their skills.

Student Counselling Program

Children were given proper guidance and advice by a professional counsellor whenever they had any personal problems or poor performance in their studies. The counsellor was able to identify the root cause and helped the students to overcome the problems that they faced and facilitated the students to find solutions to solve the issues. This program has helped more than 146 students this year.

Special coaching to SSLC students

Orchid in coordination with the school Parent Teachers' Association conducted an intensive night coaching for one month for selected students who appeared for public examination in 10th and 12th standard. Teachers volunteered to be available for students to clear their doubts. This program was organised in 7 schools that benefited 346 students.

Health

Mobile Health Program

Orchid Trust conducts weekly village health camp programs for the villages. The exclusive medical team for this purpose visits Pattipulam (in East Coast Road) and Alathur (in Old Mamallapuram Road). Large numbers of people are benefited from this programme / visits, regularly.

Eye Camp

Orchid Trust in coordination with Sankara Hospital conducted 12 monthly eye camps and did eye screening for more than 800 people and free cataract surgery for more than 60 people. A tie up has also been made with Pammal Shankara Hospital for weekly eye camp program in Primary Health Centre, Tiruporur.

Special Health Camp to Women and Children

Mother and child care is one of the basic aspects of health care which is lacking in rural areas and the same may be attributed to many reasons like early marriage, ignorance and the socio economic conditions. The poor rural women were trained on nutrition, vaccination and other aspects of child care.

Orchid Trust in coordination with the ICDS (Integrated Child Development Services) organised a pediatric camp in Tiruporur near Alathur. Many women willingly participated and shown keen interest in learning the aspects. As many as 450 women were benefited by way of consultancy and free treatment.

Sponsorship of Government Health Programs

Orchid Trust brings in more response for Government initiatives like Pulse Polio drive, Health Camps organised by local Primary Health Centre. These sponsorship includes provision of vehicles, food, notice, posters, medicines and program sponsorships.

Empowerment of Women through SHGs

Tailoring for women

The training given to the Self Help Groups (SHGs) on tailoring and embroidering also gave an employment opportunity to the women in apparels. Women were able to get jobs in the nearby export garment units; 14 out of 65 women trained got job opportunities. Leadership training was imparted to 73 SHGs.

Greenery Development

In order to create awareness and to involve women in greenery development initiatives, a program was organised in Alathur in coordination with NEED Trust, Tiruporur known for greenery development initiatives. More than 300 women

from the adopted villages took part and received saplings to plant and raise it in their houses.

Infrastructure Development

School buildings

Orchid paid the public contribution part to four school buildings and drinking water were improved in those schools. All these were possible only under the Government scheme called 'Namakku Naame' with the support of grass root associations and the elected body members.

Canal Distilling

Canal distilling is an ongoing activity for enabling agricultural development in the area. More than 300 acres of land got benefited out of this

Youth Development

Orchid Trust used sports as a gateway to reach the youth. More than 25 youth functions were sponsored. The next step was to offer variety of training programmes on Personality Development, Career Guidance, Self Esteem, Spoken English and Entrepreneurship Development Programmes to change the attitude of youth towards unemployment and motivate them to take up self employment as the alternative.

Environment

Environment management is the prime concern in your Company. Orchid has employed a state of the art technology zero liquid trade effluent treatment plant and world class treatment facilities for its liquid and gaseous pollutants generated from the production processes. The zero discharge of liquid trade effluent treatment plant comprises Membrane Bio Reactor, Nano Filtration, Reverse Osmosis, Solvent Stripping Column, Thermal Evaporation & Crystallisation plant to treat the entire trade effluent and recycle back into the utility process.

Waste water Treatment:

Orchid has segregated the effluent as per the guidelines of Corporate Responsibility for Environmental Protections for pharmaceuticals industries i.e. Low Total Dissolved Solids effluent (including sewage) and High Total Dissolved Solids effluent.

Waste Air Treatment

The major emissions from the Unit are emissions from the boiler, power plant, process scrubbers and powder processing area. Orchid installed process scrubbers in all the production blocks to treat the waste air generating from process reactors. These scrubbers are made up of FRP (fiber reinforced plastic) with structure packing to enhance the efficiency of the scrubbing. The emissions from the process scrubbers meet the general emission standards prescribed by the Pollution Control Board. The scrubbed liquid is sent back to waste water treatment plant for further treatment.

Vent Gas Condensation

Orchid installed the vent gas condensation system for fugitive emissions from the storage tanks of solvents and secondary condensers of solvent recovery area to control the fugitive emissions. The collected solvent is recycled back into the process.

Reverse Jet Ventury Filter

Orchid installed reverse jet ventury filter to control the dust emission during the powder processing of bulk drugs.

You would be happy to note that Orchid is the first bulk drug company in the country which was certified with ISO – 14001 in the year 1999 itself by Dutch Council and has been retaining the certificate continuously for its environment management system.

Safety Excellence Journey:

Orchid's thrust on Safety and Health has persisted meticulously during this financial period. The sustained safety excellence journey is achieved with the high level participation from various line management functions.

Orchid's integrated Safety organisation structure and line management responsibility has become one of the key strengths in maintaining safety in all its Units. In addition to Process safety, Orchid strongly believes that human behavior plays a key role, in building safety culture. Hence to monitor and reinforce actions on process safety, safety observation and audit (SOA), is a key focus area in Our Central Safety Committee meetings (CSC). To give thrust to Process safety

management the Company continues to develop inherently safe processes with the help of in-house process safety labs.

The CSC meets regularly and review progress on Safety elements and also provides directions to various subcommittees which work towards identifying hazards and minimising the risks at all levels.

Conservation of energy

Your Company has always been striving hard in the field of energy conservation. Several measures to conserve energy and to reduce associated costs were taken during the fiscal under review as well. The particulars in respect to conservation of energy as required under Section 217 (1) (e) of the Companies Act, 1956, are given in Annexure I to this report.

Technology absorption

The particulars in respect of R&D/Technology absorption as required under Section 217 (1)(e) of the Companies Act, 1956, are given in Annexure II to this report.

Foreign exchange earnings and outgo

The particulars in respect of Foreign Exchange Earnings and Outgo as required under Section 217 (1)(e) of the Companies Act, 1956, are given in Annexure III to this report.

Particulars of employees

Information as per Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules, 1975 forms part of this Report. However, as per the provisions of Section 219(1)(b)(iv) of the Companies Act, 1956, the Report and Accounts are being sent to all members of the Company excluding the aforesaid information. Any member interested in obtaining a copy of the particulars may write to the Secretary at the Registered Office of the Company.

Corporate Governance

The Company follows the code of Corporate Governance issued by the stock exchanges for listed companies. Corporate Governance info given in Annexure V to this Report. A compliance certificate from the Practicing Company Secretary is appended to this report.

Green Initiative

To augment the green initiative of the Ministry of Corporate Affairs and to reduce carbon foot print, your Company proposes to send various communication including the Annual Reports in electronic form, to the members who have opted for the same. This would help in reducing the number of physical copies to be printed, thereby contributing to a greener environment. The full text of the current year's (2012-13) annual report is available in an easily navigable format at www.orchidpharma.com. As a member of the Company, you are entitled to receive all such communication in physical form, upon request.

Directors

Appointment of Director

Shri S. Yuvaraj was appointed as Additional Director on the Board on August 14, 2013. Pursuant to the appointment, Shri S. Yuvaraj holds office up to the date of the forthcoming Annual General Meeting. A notice has been received from a member as per Section 257 of the Companies Act, 1956 along with the prescribed fee. Shri S. Yuvaraj has also filed with the Company his consent to act as Director, if appointed, as required under Section 264(1) of the Companies Act, 1956. A resolution seeking his appointment as Director is being placed before the members for approval.

Change in Designation

Shri S. Krishnan, whole-time director of Orchid, resigned from the services of the Company on April 17, 2013. He continues to be on the Board as Non-executive Director.

Resignation of Directors

Shri Deepak Vaidya, Director of Orchid, resigned from the Board with effect from November 19, 2012. The Board places on record its appreciation for the contribution made by Shri Deepak Vaidya during his tenure as Director.

Shri Bharat D Shah, Director of Orchid, resigned from the Board with effect from November 15, 2012. The Board places on record its appreciation for the contribution made by Shri Bharat D Shah during his tenure as Director.

Prof. Bala V Balachandran, Director of Orchid, resigned from

the Board with effect from August 14, 2013. The Board places on record its appreciation for the contribution made by Prof. Bala V Balachandran during his tenure as Director.

Retirement of Directors by rotation

In accordance with the provisions of the Companies Act, 1956 and the Articles of Association of the Company Shri.S.Krishnan retires by rotation at the ensuing Annual General Meeting and being eligible offers himself for re-appointment.

None of the Directors of the Company are disqualified under Section 274(1)(g) of the Companies Act, 1956.

Auditors

The Statutory Auditors, M/s SNB Associates, Chartered Accountants retire at the forthcoming Annual General Meeting, and being eligible, offer themselves for re-appointment. M/s. SNB Associates, Chartered Accountants have furnished certificate under section 224(1B) of the Companies Act, 1956 of their eligibility for the appointment.

Auditor's Report

The Auditor's in their report have made certain observations relating to recovery of advances paid to suppliers, non provision of diminution in value of Investments in a foreign R&D subsidiary and non-provision of penal interest on loans taken by the Company under 'Qualified Opinion' in their report to the members.

The Company has already been admitted for Corporate Debt Restructuring (CDR) scheme and the final approval for the scheme is expected. Due to financial constraints, the Company was not able to take delivery of materials / capital goods and the Company is confident that with the CDR approval, the Company would be able to take delivery of these materials in due course. As far as the diminution in value of investments is concerned, the Company is confident that the value of molecules held by the foreign subsidiary will be more than the investment. With the approval for the CDR scheme, the interest liability will come down and hence

there will be no need for any provision for penal interest. The Management confirms that there will be no impact on the financials on account of the matters referred to in the Auditor's report.

The Auditor's in their report have further made observations relating to notice given by IDBI Bank Limited to convert the term loan into shares and the excess remuneration paid to the Managing Director and the Whole time Director under 'Emphasis of Matter' in their report to the members.

IDBI Bank Limited has given notice to the Company to convert the term loan amounting to Rs 30.19 crores into shares at par as per the terms of the Loan agreement. The same has been disputed by the Company. IDBI has filed a Civil Suit which is pending before the Honourable High Court of Madras.

The Company has paid remuneration to the Managing Director and the Whole time Director based on the approval given by the shareholders at the Annual General Meetings held on September 20, 2012 and July 21, 2010, respectively. Due to the loss incurred by the Company during the year 2012-13, the Company is making an application for the approval of the Central Government for the remuneration paid to Chairman & Managing Director and Executive Director.

Cost Audit

The Central Government has prescribed that an audit of the cost accounts maintained by the Company in respect of bulk drugs and formulations be conducted under Section 233B of the Companies Act, 1956. Consequently, your Company has appointed Shri V Kalyanaraman, B.Sc., FCMA, as Cost Auditor for 2012-13 and 2013-14, with the consent of the Central Government, for the audit of cost accounts maintained by the Company in respect of both bulk drugs and formulations.

For the year ended March 31, 2012, the due date of filing the cost audit report was December 31, 2012 and the actual date of filing the cost audit report was December 29, 2012.

Acknowledgements

Your Directors are thankful to various public sector and private sector banks and financial institutions for meeting the long term and working capital needs of the Company's businesses.

The Directors are grateful to the Central and State Governments and the Central DCGI and State FDAs for their continued support to the Company's expansion plans. Your Board places on record its appreciation of the support provided by the customers, suppliers and equipment vendors to the Company. Your Directors are also thankful

to the vendors, distributors and agents for their continued support.

Your Directors are thankful to the esteemed shareholders for their support and encouragement. The Directors acknowledge the commitment and contribution of all employees to the growth of the Company.

Annexure to the directors' report

INFORMATION UNDER SECTION 217(1)(e) OF THE COMPANIES ACT, 1956 READ WITH COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF BOARD OF DIRECTORS) RULES, 1988 AND FORMING PART OF DIRECTORS' REPORT FOR THE 18 (EIGHTEEN) MONTHS ENDED 30th SEPTEMBER, 2013.

Annexure I – CONSERVATION OF ENERGY

a) Energy conservation measures taken

The following energy conservation measures were taken by your Company during the year under review at its manufacturing facilities

- ▶ Condensate of Air Handling Units (AHU) in different plants were diverted to Gardening and Cooling Tower based on their quantity.
- ▶ Elimination of Pumps and Motors from the process line could be achieved by taking the requirement through gravity line.
- ▶ Optimising the operation of Hydraulic power packs
- ▶ Stopping the usage of heater in fuel storage tank by diverting the fuel to a common tank.
- ▶ PA fan operation was reduced with the help of VFD resulting in energy savings.
- ▶ AHU load was reduced by venting the hot air from the room in panel rooms and by converting the WFI room to unclassified area.
- ▶ Recycling of condensate liquid resulted in energy savings which also has an impact on environment.
- ▶ Resource optimisation in process was done with the help of PDLab resulting in energy savings.

b) Additional investments and proposals, if any, being implemented for reduction of consumption of energy.

Some of the proposals that are considered / being implemented for saving energy are:

- ▶ Installation of pressure power pump in trap condensate tank place instead of electrical pump.
- ▶ Converting of aluminium blade in EC fan to FRP blade

thereby reducing power consumption.

- ▶ Provision of +10 chiller for UPS room and inprocess lab room instead of -10.
- ▶ Provision of interlocks between EC fan and pump in compressors in utility.
- ▶ Converting the gland seal in pumps to mechanical seal thereby reducing the power consumption and effluent load.
- ▶ Conversion of impellers material in blower from metal to FRP.
- ▶ Converting the workshop asbestos roof sheets to transparent sheets.
- ▶ Spray balls arrangement in reactors to reduce water consumption.
- ▶ Intake air duct modification for atlas copco compressor.
- ▶ Hydro jet cleaning for process equipments.
- ▶ Water gun for cleaning driers.

c) Impact of the measures at (a) and (b) above for reduction of energy consumption and consequent impact on the cost of production of goods.

- ▶ Due to the various energy conservation activities implemented, mentioned in (a) above, there was a reduction in power consumption by around 1291 UPD and 0.86 TPD, leading to a saving of around Rs 30.62 lakhs annually.
- ▶ Further, the energy conservation measures proposed to be taken up by the Company as mentioned in (b) above are expected to bring in savings of around Rs 335.78 lakhs annually.

ANNEXURE II - TECHNOLOGY ABSORPTION

I. Research and Development

1. Specific areas in which research and development activities have been carried out by the Company during the year.

Process Research and Development of selected molecules from both beta-lactam and Non-beta-lactam categories were carried out by specific scientific teams. In beta-lactam category, the R&D development focussed on the processes of (i) oral and injectable cephalosporins (first, second and third generations) (ii) oral and injectable carbapenems and (iii) injectable penicillins. In Cephalosporins, the R&D was also involved in developing and implementing anti-MRSA cephalosporin for innovator through CRAMS program. In non-beta lactams group, development of process for APIs (Active Pharmaceutical Ingredients) relating to treatment of hypertension, multiple sclerosis, urinary incontinence, overactive bladder, benign prostatic hyperplasia, platelet aggregation, migraine, bacterial infections, etc., have been carried out. Process R&D developments on reduction of cost of manufacturing of APIs belonging to both betalactams and non-betalactams have also been carried out.

Many technologies were transferred to the cGMP manufacturing facilities successfully. The processes have been ensured to be safer to operate on manufacturing scale, while significantly reducing cycle-time, number of stages and operations, apart from meeting the quality. In addition, manufacturing process for Orchid's NCE, a novel beta-lactamase inhibitor, out-licensed to Allecra for clinical development in 2013, has been developed and API supplied on kilogram scale manufactured in Aurangabad penicillin API manufacturing facility.

2. Benefits derived as a result of the above R&D activities.

Development of process for APIs, and implementation of processes on manufacturing scale in Orchid's cGMP facility helped filing or amending DMFs in various

countries, in addition to supporting in house formulation development and filing ANDAs with P-IV or appropriate certifications.

Cost reduction process developed for various molecules would provide financial benefits to the organisation in domestic and international markets.

API of NCE, manufactured and supplied to Allecra ensured conducting Phase I clinical trials for drug-resistant anti-infective therapeutic category.

Patent filing and Intellectual Property Protection of polymorphs and new processes. This will not only protect our innovations but also give a business advantage to Orchid over other players. About 20 patent applications have been filed on the process research area, in addition to 3 articles published in reputed journals.

3. Future plan of action.

Develop new generic API molecules to support and strengthen generics thrust for the coming financial year.

Address the development of advanced intermediates (backward integration) wherever required. Increase cost competitiveness for more molecules by developing cost reduction process.

4. Expenditure on R&D

The R&D outlay was as follows

(Rs lakhs)

	Eighteen months ended September 30, 2013	Year ended March 31, 2013
a) Capital	104.10	1,449.10
b) Recurring	8,416.32	6,471.18
c) Total	8,520.42	7,920.28
d) Total R&D expenditure as a percentage of the total turnover	4.38%	4.42%

II Technology absorption, adaptation and innovation

I. Research and Development

1. Efforts in brief, made towards technology absorption, adaptation and innovation.

API technologies developed in house were transferred & demonstrated to Orchid's cGMP manufacturing facilities successfully. The processes have been ensured to be safer to operate on manufacturing scale, while significantly reducing cycle-time, number of stages, and operations, apart from meeting the quality.

Manufacturing process for Orchid's New Chemical Entity (NCE), novel beta-lactamase inhibitor, has been developed, and API supplied to Allekra to support the clinical study. Biological and analytical data generated has been of prime use in getting approval for conducting Phase I study in France.

2. Benefits derived as a result of the above efforts, e.g. product improvement, cost reduction, product

development, import substitution, etc.

Implementation of API technologies in Aurangabad manufacturing facility would help in expanding our business in the international and domestic markets while strengthening our product pipeline, in addition to supporting API business.

The cost reduction exercise would make our product/API cost competitive, in addition to providing safe, operation friendly and eco-friendly processes, built through green chemistry approaches.

DDR has identified few potent molecules with specific desirable combination of biological properties, which could serve as a seed for further development to fulfil certain medical conditions/needs. The achievements and analysis of a large quantum of biological data on in house new chemical entities have paved way for better understanding of the structure activity relationships, which would further lead to design and development of high potent molecules of desirable biological profile.

3. Imported technology (imported during the last 5 years reckoned from the beginning of the financial year):

a) Technology	No new technology has been imported by Orchid during the year.
b) Year of import	Not applicable.
c) Has this technology been fully absorbed	Not applicable.
d) If not fully absorbed, areas where this has not taken place, reasons thereof and future plans of action	Not applicable.

ANNEXURE III - FOREIGN EXCHANGE EARNINGS & OUTGO

- a) Activities relating to exports, initiatives taken to increase exports, development of new export markets for products and services and export plans.

The Company is focusing to increase the sale and distribution of its cephalosporin and the non-penicillin non cephalosporin APIs and generics in regulated markets including United States, Canada, Europe, Japan and Australia, as applicable.

- b) Total foreign exchange earnings and outgo

i) Risk free interest rate	8.18%
ii) Expected Life of Options	730 days
iii) Expected Volatility	45.80%
iv) Dividend yield (average based on option price)	2%

ANNEXURE V TO THE DIRECTORS' REPORT

Corporate Governance Report

1. Company's Philosophy on Code of Corporate Governance

At Orchid, we are committed to practicing good Corporate Governance norms. Orchid firmly believes in adhering to Corporate Governance code to ensure protection of its investor's interest as well as healthy growth of the Company. The Company has been complying with Corporate Governance norms right from its inception. We endeavor to enhance the long term stake holding value of our investors. The Company complies with the Corporate Governance Code as enshrined in Clause 49 of the Listing Agreement.

2. Board of Directors

► Composition of Board

The Chairman of the Board of Directors is an Executive Director. During the Year the Board had an Optimum combination of Executive and Non Executive Directors. None of the directors are related to each other.

The composition of Board and the details of the Directors with regard to Directorships in other Companies and Committee positions during 18 (Eighteen) months ended 30th September, 2013 are as follows:

S.No	Name	Category	Number of Directorships held in other companies @	Number of Board Committee positions in other companies held as*

Legal Proceedings

There are a few pending cases relating to the disputes on the title of the shares. The Company has been made a party to the disputes but these, however, are not material in nature.

Share Transfer System

M/s Integrated Enterprises (India) Limited are the Registrar and Share Transfer Agents for servicing activities relating to both physical and electronic segments. The share transfer committee met 3 times during the year 2012 - 2013. SEBI has reduced the timelines for effecting the share transfer to 15 days from the present one month's time by a circular dated July 5, 2012. Accordingly, securities lodged for transfer with the registrars shall be processed within 15 days from the date of lodgement. In order to give effect to SEBI's requirement and to expedite the process of share transfers, the Board has delegated the power to approve the share transfer activities to few employees of the Company as well as to rename the existing committee as "Investor Grievance Committee" which shall meet on a quarterly basis.

Unclaimed Dividends

Pursuant to Section 205A of the Companies Act, 1956, the unclaimed dividend amounting to Rs 507,808/- pertaining to the financial year 2004-05 was transferred to the Investor Education and Protection Fund (IEPF) in September, 2012 and the unclaimed dividend amounting to Rs 8,57,808/- pertaining to the financial year 2005-06 was transferred to the Investor Education and Protection Fund (IEPF) in July 2013.

Unclaimed dividend for the financial year 2006-2007 is due for transfer to IEPF in September 2014. The dividends for the years from 2006-2007 onwards, which remain unclaimed for seven years will be transferred to IEPF established by the Central Government under Section 205C of the Companies Act, 1956 as and when they become due. Shareholders who have not encashed their dividends for these periods are requested to write to the Company.

Equity Shares in the Suspense Account

As per Clause 5A(II) of the Listing Agreement, the Company reports the following details in respect of equity shares lying in the suspense account which were issued pursuant to the public issue/Bonus Issue/Rights Issue of the Company and unclaimed as on 30th September, 2013:

CERTIFICATE ON CORPORATE GOVERNANCE

To

The Members of

Orchid Chemicals & Pharmaceuticals Limited

We have examined the compliance of the conditions of Corporate Governance by Orchid Chemicals & Pharmaceuticals Limited (the Company), for 18 (Eighteen) months period ended on 30th September, 2013, as stipulated in Clause 49 of the Listing Agreement entered into by the Company with the stock exchanges.

The compliance of the conditions of Corporate Governance is the responsibility of management. Our examination was limited to a review of the procedure and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of the opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has generally complied with the conditions of Corporate Governance as stipulated in Clause 49 of the Listing Agreement except as reported by the Company in its quarterly compliance report submitted to the stock exchanges for the quarter ended 31.12.2012 and 31.03.2013.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To the Members of
M/s. Orchid Chemicals and Pharmaceuticals Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of Orchid Chemicals and Pharmaceuticals Limited ("the Company"), which comprise the Balance Sheet as at September 30, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the 18 months then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

		Balance Sheet	Profit & Loss Statement	Notes	Cash Flow Statement	 Orchid Chemicals & Pharmaceuticals Ltd. Annual Report 2012-13
	Auditors' Report					

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

- I. The Company has given advances amounting to Rs 524.69 crores to various parties and are outstanding as on September 30, 2013. The Company has not received any materials/ capital goods during the current period of 18 months against these advances. As per information and explanation given, the Company is not able to take delivery of materials due to financial constraints. We are not able to express any opinion on the recoverability of these amounts.
- II. The Company has investments of Rs 94.82 crores and loans of Rs 34.25 crores in a wholly owned subsidiary Bexel Pharmaceuticals Inc. The subsidiary has not been spending any money on the research on the molecule during the current period as no financial support is given by the parent Company and the parent Company has not allocated any funds for the future development. In view of the above, it is necessary to impair the value of this investment as no information is available with the Company regarding the value that can be recovered from the sale of rights over the molecule possessed by the Subsidiary.
- III. The Company has gone for Debt Restructuring process and in view of the same, the Company has not received confirmation of balance relating to Loans and other funded and non-funded dues from various banks as on September 30, 2013. Books have been closed on the basis of the information provided by various banks to the Corporate Debt Restructuring Empowered Group. Moreover, interest has been accounted for to the extent debited by the banks/ information provided by the banks. No provisions have been made in respect of dues to banks where such debit/ information have not been made/ provided by the banks.

Qualified Opinion

6. In our opinion and to the best of our information and according to the explanations given to us **except for the effects of the matter described in the Basis for Qualified Opinion paragraph**, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a) in the case of the Balance Sheet, of the state of affairs of the Company as at September 30, 2013;
 - b) in the case of the Profit and Loss Statement, of the loss for the 18 months ended on that date; and
 - c) in the case of the Cash Flow Statement, of the cash flows for the 18 months ended on that date.

Emphasis of Matter

1. IDBI Bank Limited has given notice to the Company to convert the term loan amounting to Rs 30.19 crores into shares at par as per the terms of the Loan agreement. The same has been disputed by the Company and the matter is pending before the Honourable High Court of Madras.
2. The Company has paid remuneration to the Managing Director and the Whole time Director in excess of minimum remuneration prescribed under schedule XIII of the companies act amounting to Rs 737.59 lakhs and the same is subject to the approval of Central Government. The Central Government approval for such excess remuneration pertaining to financial year 2011-12 is still awaited.

Our opinion is not qualified on these matters.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
8. As required by section 227(3) of the Act, we report that:
 - a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - c) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the accounting standards referred to in sub-section (3C) of section 211 of the Act;
 - d) On the basis of written representations received from the directors as on September 30, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on September 30, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Annexure to the Independent Auditor's Report

(referred to in paragraph 7 under 'report on Other Legal and Regulatory Requirements' section of our report of even date)

1. In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
 - (b) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
 - (c) During the year, in our opinion and according to the information and explanations given to us, a substantial part of fixed assets has not been disposed off by the Company.
 - (d) The process relating to identifying scrap assets must be strengthened.
2. In respect of inventory:
 - (a) As explained to us, the inventories other than materials lying with third parties (which have been substantially been confirmed) were physically verified during the year by the management at reasonable intervals.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
3. The Company has neither granted nor taken any loans, secured/ unsecured, to/from Companies/ firms or other parties referred to in Section 301 of the Companies Act, 1956.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business, for the purchase of inventories, fixed assets, payment for expenses and for sale of goods and services. In respect of purchase of capital goods, large purchases have been made through single source. Except for above, we have not observed any major weakness in such internal controls systems.
5.
 - a) In our opinion and according to the information and explanations provided by the management, the contracts or arrangements referred to in section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that section.
 - b) The transactions made in pursuance of such contracts or arrangements have been at prices which are reasonable having regard to the prevailing market prices / Joint Venture agreements at the relevant time.
6. In our opinion and according to information and explanations given to us, the Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provision of section 58A and 58AA or any other relevant provision of the Act and the rules framed there under are applicable.
7. In our opinion the Company's internal audit system has to be strengthened to commensurate with the size of the Company and the nature of its business. The coverage carried out by the independent Chartered Accountant firm approved by the Company need to be enlarged to make it commensurate with the size of the Company.
8. We have reviewed the cost records maintained by the Company as prescribed by the Central Government under Section 209(1) (d) of the Companies Act, 1956 and are of the opinion that prima facie the prescribed cost records have been

made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

9. According to information and explanations given to us and according to the books and records as produced and examined by us, in our opinion:
- (a) The Company has not been, during the period covered by the accounts, regular in depositing undisputed statutory dues including Provident fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues as applicable with the appropriate authorities. There has been continuous delay in payment of the dues. According to the information and explanations given to us, except for dividend distribution tax amounting to Rs 3.87 cores, there were no outstanding statutory dues as on September 30, 2013 for a period of more than six months from the date they became payable.
- (b) As at September 30, 2013, the following are the particulars of dues on account of Income tax, Sales tax, Wealth tax, Service tax, Customs duty and Excise duty that have not been deposited on account of disputes.

Notes to the Accounts as at September 30, 2013

1. SIGNIFICANT ACCOUNTING POLICIES

a) Accounting Convention

The Financial Statements are prepared under historical cost convention. The presentation of the accounts is based on the Revised Schedule VI of Companies Act, 1956. Revenues are recognised and expenses are accounted on their accrual with necessary provisions for all known liabilities and losses.

b) Fixed Assets

- (i) Fixed Assets are stated at the original cost inclusive of inward freight, incidental expenses related to acquisition and related pre-operational expenses and technical knowhow fees where applicable.
- (ii) Machinery spares which can be used only in connection with specific fixed assets and the use of which are irregular, are charged over the period of the life of such fixed asset, in accordance with Accounting Standard 10.
- (iii) Brands represent brands acquired by the Company and includes IPR & Licences purchased for a consolidated consideration. The cost of brands, patents and trademarks are amortised over a period of 60 months from the month of acquisition.

(iv) INTERNALLY GENERATED INTANGIBLE ASSETS - DMF & ANDA

DMF and ANDA costs represent expenses incurred on development of processes and compliance with regulatory procedures of the US FDA, in filing Drug Master Files ("DMF") and Abbreviated New Drug Applications ("ANDA"), in respect of products for which commercial value has been established by virtue of third party agreements/arrangements. This is in accordance with the requirements of Accounting Standard 26.

The cost of each DMF/ANDA is amortised to the extent of recovery of developmental costs applicable as per terms of agreement or over a period of five years from the date on which the product covered by DMF/ANDA is commercially marketed, whichever is earlier.

- (v) Assets are depreciated on straight line basis at the rates specified in Schedule XIV of the Companies Act, except in respect of the following assets, where the useful lives reckoned in computing the depreciation for the year are different from those derived from the rates specified in Schedule XIV of the Companies Act, 1956. The revised useful life of the assets have been determined by the Management based on technical assessment.

Asset Categories

Useful life

Reactors, Pipes, Pipe fittings, Valves, Motors, Pumps, Nitrogen Plant, Gear Boxes, Cables and Centrifuges Evaporator (Indigenous), Jet aeration system (indigenous), Ventilation & Exhaust system, HCL column, ETP (indigenous), scrubber, incinerator (indigenous) & Instrumentation items.

9 years

Depreciation is provided at rate arrived based on useful life or schedule XIV rates whichever is higher.

- (vi) Leasehold assets cost is amortised over the period of the Lease.
- (vii) Depreciation on assets added/disposed off during the year is provided on pro-rata basis from the month of addition or up to the month preceding the month of disposal, as applicable.
- (viii) Impairment of assets:

Management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

Notes to the Accounts as at September 30, 2013

c) Borrowing Costs

Borrowing costs includes interest, amortisation of ancillary cost incurred in connection with borrowings. Cost incurred for raising long term borrowings have been amortised over the period of the loan.

Interest cost on qualifying asset being an asset that necessarily takes a substantial period of time to get ready for its intended use or sale, is capitalised at the weighted average rate of the funds borrowed and utilised for acquisition of such assets.

d) Treatment of expenditure during construction period.

Expenditure during construction period is included under capital work-in-progress and the same is allocated to the respective fixed assets on the completion of construction.

e) Investments

Investments considered long term are shown at cost. Diminution in the value of investments other than temporary are provided for Current investments are valued at lower of cost and market value.

f) Inventories

- (i) Stores & Spares – At weighted average cost.
 - (ii) Raw Materials – At annual weighted average cost
 - (iii) Finished Goods @ – At Lower of cost or net realisable value
 - (iv) Work in Progress & Intermediates @ – At Lower of cost or net realisable value
- @ After adjustment of unrealised profits on inter division transfer.

g) Revenue Recognition

Sales are recognised on despatch of goods from the factory/ warehouse and price differentials are accounted for at the end of each quarter as per the terms of marketing arrangement. Sales are net of returns, discounts and inter-division transfers. Service income is recognised as per contractual terms. In respect of composite contracts involving development and other activities, income is recognised on the basis of contractual terms after considering the quantum of work completed. Benefit on account of entitlement to import duty free materials under the "Duty Entitlement Pass Book Scheme" is recognised in the year of export.

h) Retirement Benefits

Retirement Benefits are accounted on actuarial valuation carried out at the end of the year. The Company's liability towards the gratuity of employees is covered by a group gratuity policy with LIC, SBI and ICICI Prudential Life Insurance Company Ltd and the contribution to the fund is based on actuarial valuation carried out yearly as at the end of the financial year as per the revised AS15. Provision for Leave Encashment has been made based on actuarial valuation as at the year end as per revised AS15. Short term employee benefits are recognised as an expense at the undiscounted amount in the profit and loss account for the year in which the related service is rendered.

i) Translation of Foreign Currency items

- 1) Non - Monetary foreign currency items are carried at cost.
- 2) All inter-related transactions are recognised at common rates.
- 3) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.
- 4) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and the rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.

Consolidated Auditors' Report

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS OF ORCHID CHEMICALS & PHARMACEUTICALS LIMITED AND ITS SUBSIDIARIES, ASSOCIATE AND JOINT VENTURE

To the Board of Directors

Orchid Chemicals & Pharmaceuticals Limited

Report on the Financial Statements

1. We have audited the accompanying consolidated financial statements of Orchid Chemicals and Pharmaceuticals Limited ("the Company"), and its subsidiaries, associates and joint ventures (together the "Group ") which comprise the Consolidated Balance Sheet as at September 30, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the 18 months then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

- I. The consolidated financial statements include the unaudited financial statements/financial information of the subsidiaries, associate and joint venture which were not audited by us and which were provided by the management, whose financial statements/financial position reflect total liabilities (net) of (7915.00) lakhs (previous year total Assets of Rs 5,206.35 lakhs) as at September 30, 2013 and total revenue of Rs 7,271.15 lakhs (previous year Rs 21,724.45 lakhs) for the period ended on that date, as considered in the consolidated financial statements.

Our opinion, in so far as it relates to the amounts included in respect of these subsidiaries, associate and joint venture is based solely on the financial statements/financial position, as provided by the management.

- II. The Company has given advances amounting to Rs 524.69 crores to various parties and are outstanding as on September 30, 2013. The Company has not received any materials/ capital goods during the current period of 18

		Balance Sheet	Profit & Loss Statement	Notes	Cash Flow Statement	 Orchid Chemicals & Pharmaceuticals Ltd. Annual Report 2012-13
	Auditors' Report					

months. As per information and explanation given, the Company is not able to take delivery of materials due to financial constraints. We are not able to express any opinion on the recoverability of these amounts.

- III. The consolidated financial statements carries an intangible asset of Rs 94.82 cores representing goodwill relating to one of the Company's wholly owned subsidiaries viz., Bexel Pharmaceuticals Inc. The subsidiary has not been spending any money on the research on the molecule as no financial support is given by the parent Company and the parent Company has not allocated any funds for the future development. In view of the above, it is necessary to impair the value of this intangible asset as no information is available with the Company regarding the value that can be recovered from the sale of rights over the molecule possessed by the Subsidiary.
- IV. The Company has gone for Debt Restructuring process and in view of the same, the Company has not received confirmation of balances relating to loans and other funded and non funded dues from various banks as on September 30, 2013. Books have been closed on the basis of the information provided by various banks to the Corporate Debt Restructuring Empowered Group. Moreover, interest has been accounted for to the extent debited by the banks/information provided by the banks. No provisions have been made in respect of dues to banks where such debit/information have not been made/provided by the banks.

Qualified Opinion

6. In our opinion and to the best of our information and according to the explanations given to us except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a) in the case of the Balance Sheet, of the state of affairs of the Company as at September 30, 2013;
 - b) in the case of the Profit and Loss Statement, of the loss for the 18 months ended on that date; and
 - c) In the case of the Cash Flow Statement, of the cash flows for the 18 months ended on that date.

Emphasis of Matter

1. IDBI Bank Limited has given notice to the Company to convert the term loan amounting to Rs 30.19 crores into shares at par as per the terms of the Loan agreement. The same has been disputed by the Company and the matter is pending before the Honourable High Court. Our opinion is not qualified on this matter.
2. The Company has paid remuneration to the Managing Director and the Whole time Director in excess of minimum remuneration prescribed under schedule XIII of the companies act amounting to Rs 737.59 lakhs and the same is subject to the approval of the general meeting and Central Government. The Central Government approval for such excess remuneration pertaining to financial year 2011-12 is still awaited.

Our opinion is not qualified in respect of these matters.
